YGL   MANAGEMENT CONCEPTS   NOW GENERATION

Coming Up on this Month's Blog...

It's all about mentoring this month, with perspectives from both sides. Hear more about what mentors' expectations, the challenges they face, and how they deal and adapt to the different personalities. Also, find out more about what makes for a successful mentor/mentee relationship.

A Lesson on Resiliency

We would like to invite you to an interactive and insightful webinar with Debbie Eshelman, Managing Director of the Human Capital and Talent Management Practice at Management Concepts. Ms. Eshelman will define resiliency, explain why it's important, and describe how you can develop your own sense of resiliency through times of change.

The even is free for YGL members. Register [here](#)!
